A Finer Diner

Following time-tested recipes and sourcing local suppliers for the highest quality ingredients, we take great pride in the products we make with care every day at our family-owned and operated business. When you receive your meal, please let us know if something is not prepared to your complete satisfaction and we will gladly do everything we can to improve or replace it.

## PURE, UNPASTEURIZED 100% FRESH ORANGE & GRAPEFRUIT JUICE.... 5.50

We wash, hand cut, and hand squeeze fresh citrus fruit on our premises daily. Fruit is sourced worldwide so the flavour may vary seasonally at times but this is an indication that it is not processed in a factory.

There are no added sulphites!
